My Collections

Users can collect articles and organize them into collections.

- When you find an article you want to add, select the **3-dotted Icon** and choose **Save to Collection**
- Users can access their collections by clicking on their name in the top right corner, and selecting **My Channel**

My Publications

Flag your favorite publications for easy access.

- Click on any publication and select **Add to My Publications**
- Find your favorited publications listed at the top of the homepage

My Topics

Users can flag terms to find articles on topics they are interested in.

- Click on **For You** tab and scroll down to **Saved Searches**
- Click on **Edit -> Create New Topic** and enter your preferred term
