Dumbo

Struggling circus owner Max Medici enlists a former star and his two children to care for Dumbo, a baby elephant born with oversized ears. When the family discovers that the animal can fly, it soon becomes the main attraction -- bringing in huge audiences and revitalizing the run-down circus. The elephant's magical ability also draws the attention of V.A. Vandevere, an entrepreneur who wants to showcase Dumbo in his latest, larger-than-life entertainment venture.

Ace detective Harry Goodman goes mysteriously missing, prompting his 21-year-old son, Tim, to find out what happened. Aiding in the investigation is Harry's former Pokémon partner, wise-cracking, adorable super-sleuth Detective Pikachu. Finding that they are uniquely equipped to work together, as Tim is the only human who can talk with Pikachu, they join forces to unravel the tangled mystery.
