# IN THE DMI ART GALLERY

- **Brian Hohner : Magnetic North Images—April 11th to May 9th.** Local artist from North Star, Alberta will display art featuring landscapes, birds, and aviation. “

“While he doesn’t see himself as a landscapist or wildlife or aviation artist, all these elements appear individually or in combination in the paintings of Brian Don Hohner—much as they appear in the day to day experience of the Peace River Country where he lives and works. His unattainable goal is to achieve a perfect understanding of the world through painting.”

-[www.magneticnorthimages.com](http://www.magneticnorthimages.com)

- **Cattle Call—May 16th to June 13th.** “The travelling exhibition *Cattle Call* focuses on cattle as they have been expressed by artists throughout Alberta. Presenting art works drawn from the collection of the Alberta Foundation for the Arts and investigating a mix of media and artistic styles, the works in this exhibition portray ‘the cow’ both as an essential feature of Alberta’s economy and way of life and also as a cherished companion. “
