MOVIE NIGHT AT THE LIBRARY

May 10th at 6pm

The Great Bear

Jonathan, 11, usually spends his vacations alone with his grandfather who lives on the edge of a vast forest populated by mythical animals. This year his kid sister Sophie joins him. But it's not cool to be stuck with a little sister, so he does what he can to avoid her. He succeeds entirely too well: Sophie is kidnapped by a giant, 1000-year-old bear. Now, Jonathan has to venture into the heart of the forest to confront the strange beings that dwell there and rescue his sister. "The Great Bear" is Esben Toft Jacobsen's feature film debut.

PG
